Note: Devices distribution subject to availability. Technology is supplied by the Bureau to approved business events only. Lost or damaged devices will be charged at replacement cost.

Technology Waiver: Use of **Smart Badge** is a further measure in conjunction with a venue's COVID-safe plan and your own COVID-safe event plan to create awareness of 1.5m and to allow participants to control their own personal environment. It is not meant to be used in isolation as the only safety measure for your event, and does not replace consideration of hand washing, capacity limits and other best practice COVID-safe measures. By accepting the use of Smart Badge as an optional measure you release Canberra Convention Bureau of all liability associated with the use of the technology within your event.
